Student Pick-Up Policy

Please make sure you always email or call the school administrator if someone other than you (the parents) is picking up your child (even if that person has picked up before). ALL people (including parents) are required to ALWAYS have a valid ID available to present to the school in the event that ANY of our staff may ask. Any person picking up also needs to be on your child's emergency blue card. Please inform anyone that you may have picking up your child of our policy.

Your children are too precious to let them go home with just anyone and it is our job to guarantee that the people picking them up are allowed to do so. Please help us in continuing to make our school a safe place for all of our children.
